

## **Subject: Kindergarten Dismissal**

Dear Kindergarten Parents,

Greetings from International Academic School, Dubai.

We have had several requests from parents to collect their children at the same time that Grades 1-12 are dismissed. Due to the fact that Grades 1-12 are ending their school day at 10:00 a.m. this week because of exams, we wanted to make you aware that you **may collect** your kindergarten students at this time as well.

**Gate #5** will be open **from 10:00-10:30 a.m.** If your child is in Pre-KG or KG1, they may be collected as normal from their classroom. If your child is in KG2, please come to the **Kindergarten Building** and inform Ms. Samra, so that we can arrange a T.A. to bring your child from their classroom to the Kindergarten Building to meet you. **If your child rides a bus, they will leave at the normal time of 1:15 p.m.** We hope that this change in dismissal time will help you in the collection times of your children.

Thank you for your cooperation

Thank you for your attention.

Best Regards,
