

*Reaching the best of every child*

#### **Our Priority**

**Success and wellbeing for every child through each stage of learning in an inclusive system.**

#### **Our Commitment**

Our commitment means that children and young people across IAS, from all social, cultural, community and family background, and of all identities and all abilities are able to attend, access, participate, learn and achieve.

For referral contact the Inclusion department, we have highly qualified Inclusion team to help your child in social and emotional development, and to polish the strength of the child to make him/her successful in life.
